AT THE OTHER END
ROXAS CAN SEE
THEM TOO.

KINGDOM HEARTS II CHARACTER FILE

キングダム ハーツII キャラクターファイル

**Would you
please tell me
everything
you know?**

R O X A S

An ordinary boy spending a fun summer break with his friends. Or so he would be, but something happens that turns his mind and lifestyle completely upside down! Roxas becomes entangled in a curious incident, and learns from Namine that he's carrying half of Sora, whatever that means.

**Is it possible?
The two of us can do it!**

Living like a reader, a great friend of Roxas. He encourages Roxas, who's recently become less than well, and meddles in all sorts of affairs.

H A Y N E R

**You could
say
these
kinds of
things
are
modest
blessings.**

P E N C E

Seemingly calm and quiet, Pence is remarkably intelligent. Extremely well informed, he knows all about the Seven Wonders of Twilight Town, as well as any other rumour in circulation.

**These are the
["Photographs"] of
everyone's precious
memories.**

O L E T T E

A sensible girl. Even adults that know her say that she's well-spoken. The truth is, though, she's a spectacularly impulsive character.

The boy chosen by the Keyblade, the Key to save the world. Because his memory was scrambled earlier in the adventures of "Chain of Memories," he is now in a deep sleep to recover everything he lost.

S O R A

**It'll get to him.
Because I
remembered
his name.**

K A I R I

Sora's closest and most precious friend. As Sora recovers his memory, her memory of Sora also returns.

You are really not even supposed to exist.

N A M I N E

The culprit who scrambled Sora's memory. However, she's now making every effort to restore Sora's memories. She approaches Roxas to try and tell him what's going on.

The red-haired man searching for Roxas. Though he was an enemy in the previous "Kingdom Hearts: Chain of Memories", he showed his true colors by also providing Sora with advice and helping him out. Number 8 of Organization XIII.

A X E L

Come home, Roxas

D I Z

The mysterious man ordering Namine around, and also the one constantly keeping watch over Roxas. What could his goals possibly be?

**Soon it'll be time
to put the finishing
touches in place.**

Can you feel Sora?

(Mysterious Figure)

? ? ?

The man helping Diz carry out his will is he implying that he knows Sora? Though he and Axel wear the same clothes, they're two different people.
